FundApps Ltd.

Scope for certificate 2021-040

The scope of this ISO/IEC 27001:2013 certification is as follows:

The ISMS applies to the shareholding disclosure, position limits, sensitive industries and ASIC Fix services, which FundApps delivers to its clients. It also applies to the information assets, processes, teams and external service providers which FundApps relies on to provide these services.

The Information Security Management System is centrally managed out of 114-116 Curtain Road, London, United Kingdom. The scope mentioned above applies to the following locations:

1178 Broadway, New York, United States of America
13 Stamford Road, Visby, Singapore

The Information Security Management System mentioned in the above scope is restricted as defined in ISMS Scope version ba2241f547dd5558d20ba117aaff6187865ddc26, dated March 22, 2022.

This scope is only valid in connection with certificate 2021-040.
